

**Climate Reality Leadership Training  
Annotated Agenda  
November 13 - 15, 2023  
\*Please note that this is not the final or full agenda**

**Day One:**

*On day one, discover the science driving climate change impacts across West Africa. Uncover solutions and challenges, including global climate finance and its pivotal role in amplifying electricity access, bolstering resilience, fostering socio-economic advancement, and building a clean energy economy in West African nations.*

8:00 – 9:30                      **Registration and Check-In**

9:30 – 10:00                   **Opening and Welcome Remarks**

10:00 – 10:15                **You are Climate Reality**  
Phyllis Cuttino, President and CEO, The Climate Reality Project

*The Climate Reality Project’s CEO Phyllis Cuttino will present an organizational overview, explaining the significance of the Leadership Community, and the strategy behind our four global campaigns that guide our work.*

10:15 – 12:20                **Presenting the Climate Crisis: Science, Impacts, and Solutions by  
Former US Vice President Al Gore**  
Al Gore, Founder and Chairman, The Climate Reality Project

*Former US Vice President Al Gore will welcome attendees and kick off the training by delivering his signature presentation on climate science, impacts, and solutions – tailored specifically to the nations within in West Africa. The presentation will offer the most recent statistics and facts on the climate crisis and highlight the emerging solutions in the region.*

12:20 – 13:20                **Small Group Discussions & Lunch**

13:20 – 13:30                **At the Nexus of Culture, Art, and Climate**

13:30 – 13:55                **Keynote Speaker**

13:55 – 14:55                **Issue Panel One | Money Matters: Unlocking Global Financing for  
Local Solutions**

14:55 – 15:20	<b>Coffee Break and Move to Skill-Building Workshops</b>
15:20-16:20	<b>Skill-Building Workshops</b>
16:20 – 16:30	<b>Move to Ballroom</b>
16:30 – 17:20	<b>Lightning Round: Highlighting Local Climate Action and Campaigns</b>  <i>Local partner organizations will present their work on climate action and conclude with a call to action to encourage attendees to join the movement or support their efforts. The Lightning Round will feature several organizations making an impact in the climate scene across West Africa.</i>
17:20 – 17:35	<b>Mainstage Closing Programming</b>
17:45 – 19:15	<b>Attendee Reception &amp; Partner Fair</b>  <i>During the partner fair, organizations will have a table to display information about their work, answer attendee questions, and encourage participation in their campaigns. There will be light food and drink for enjoyment, as well as the possibility to meet fellow attendees.</i>

## **Day Two**

*Building off day one's insights on climate science, solutions, and global financing, day two dives into the world of just energy transition in West Africa. Additionally, the vivid tapestry of resilient livelihoods and agriculture will be explored, igniting discussions on economic, gender, and educational justice.*
