

TRAINING AGENDA

WEDNESDAY 2 OCTOBER

BUILDING KNOWLEDGE

This day's programming gives you the knowledge to be an agent for change. In the morning, you'll learn about the Climate Reality Leadership Community program and how it can help you rise to meet the global challenge of the climate crisis. In the afternoon, participate in a master class on the science and solutions of the climate crisis, anchored by Climate Reality Founder and Chairman and Former US Vice President Al Gore's remarkable presentation.

MASTER OF CEREMONIES: Hiroko Kuniya, Food and Agriculture Organization of the United Nations National Goodwill Ambassador for Japan; Board Member, Renewable Energy Institute

8:30 – 10:00

REGISTRATION CHECK-IN

10:00 – 10:10

INTRODUCTION TO THE CLIMATE REALITY EVENT *(Japanese)*

Master of Ceremonies

10:10 – 10:25

WELCOME REMARKS *(English)*

Al Gore, Founder and Chairman, The Climate Reality Project

10:25 – 11:00

WELCOME TO THE CLIMATE REALITY LEADERSHIP COMMUNITY *(English)*

Olena Alec, Director of Engagement, The Climate Reality Project

Get to know the Climate Reality Leadership Community program and fellow training participants. Olena will provide insight into the program and lead participants through an introductory exercise

11:00 – 11:45

GLOBAL COOPERATION: THE PARIS AGREEMENT, THE SUSTAINABLE DEVELOPMENT GOALS, AND THE GLOBAL CARBON BUDGET *(Japanese)*

MODERATOR: Masako Konishi, Ph.D., Expert Director, Conservation and Energy, WWF Japan

Naoko Ishii, Ph.D., CEO and Chairperson, Global Environmental Facility

Norichika Kanie, Ph.D., Professor, Graduate School of Media and Governance, Keio University

Kaoru Magosaki, Director, Climate Change Division, Ministry of Foreign Affairs

Yukari Takamura, Professor, Institute for Future Initiatives, The University of Tokyo

The climate crisis is a global problem that can only be solved with collective action. Discover what's needed to meet and strengthen national commitments, prevent the worst impacts of climate change, and achieve sustainable development.

11:45 – 12:45

LUNCH

12:45 – 14:45

THE CLIMATE CRISIS AND ITS SOLUTIONS (English)

Al Gore, Founder and Chairman, The Climate Reality Project

The film An Inconvenient Truth introduced millions of people to the reality of the climate crisis and inspired millions more to make a difference in their communities. During this session, participants will experience the presentation that sparked a global movement.

14:45 – 15:30

TABLE WORK: FORMULATING QUESTIONS (Japanese)

Now that you've seen The Climate Crisis and Its Solutions, what topics do you want Vice President Al Gore and science advisors to talk more about? You'll determine the topics they'll cover on day two.

15:30 – 16:00

AFTERNOON BREAK

16:00 – 16:30

COAL AND THE CLIMATE CRISIS (Japanese)

MODERATOR: Teruyuki Ohno, Executive Director, Renewable Energy Institute

Kenji Fuma, Founder and CEO, Neural, Inc.

Kimiko Hirata, Ph.D., International Director, Kiko (Climate) Network; Representative, CAN – Japan

Tsukasa Kanai, Chief Sustainability Officer, Corporate Planning Department, Sumitomo Mitsui Trust Bank

Japan currently relies on fossil fuels – particularly coal – for its energy. The Government of Japan and some Japanese financiers also support the construction of fossil fuel facilities abroad. Hear about the threats and limitations posed by coal in the face of a global transition to clean energy.

16:30 – 17:15

ACHIEVING A CLEAN ENERGY FUTURE: OPPORTUNITIES AND CHALLENGES (Japanese)

MODERATOR: Yusuke Matsuo, Director, Business Taskforce, Institute for Global Environment Strategies (IGES); Director, Secretariat, Japan Climate Leaders' Partnership

Robert Feldman, Ph.D., Senior Advisor, Morgan Stanley MUFG Securities Co., Ltd.

Ken Isono, Representative Director, Shizen Energy Inc.

Naohiro Kaji, Deputy Director, New and Renewable Energy Division, Agency for Natural Resources and Energy, Ministry of Economy, Trade, and Industry

Kahori Miyake, Executive Officer, CSR & Communication, Aeon, Co., Ltd.

Renewable energy has the potential to transform the Japanese economy, but its development is limited by policy, financing, and technology challenges. Hear from a panel of experts about what we need to change and what we can achieve through a rapid transition to clean energy.

17:15 – 17:25

CLOSING ANNOUNCEMENTS

17:30 – 18:30

NETWORKING RECEPTION

THURSDAY 3 OCTOBER

TURNING KNOWLEDGE INTO ACTION

The second day of the training will help you turn your learning into action. Hear how business leaders and everyday people are making a difference and get your questions answered by a panel of science experts. Then, learn the skills that will help you communicate the climate problem to your friends and colleagues, and discover how you can join thousands of Climate Reality Leaders around the world in taking climate action.

MASTER OF CEREMONIES: Naoyuki Komatsu, *Television Announcer*

8:45 – 8:50

WELCOME (*Japanese*)

Master of Ceremonies

8:50 – 9:10

KEYNOTE ADDRESS (*Japanese*)

Yuriko Koike, *Governor, Tokyo Metropolitan Government*

9:10 – 10:00

BUSINESSES MAKING A DIFFERENCE (*Japanese*)

MODERATOR: Takejiro Sueyoshi, *Director, Japan Climate Initiative; Special Advisor, United Nations Environment Programme Finance Initiative, Asia Pacific Region*

Hiro Mizuno, *Executive Managing Director and CIO, Government Pension Investment Fund (GPIF)*

Takayuki Tsujii, *President, Patagonia Japan*

Takeshi Tsuruta, *General Manager, Quality & Environmental Department, Sony Corporation*

Mari Yoshitaka, *Chief Environmental & Social Strategist, Environmental Strategy Advisory Division, Mitsubishi UFJ Morgan Stanley Securities Co., Ltd.*

Whether through financial disclosures; economic, social and governance or ESG investments; supply chain management; or expansion of renewable energy, businesses and investors can play a critical role in decarbonizing society. Hear from a range of business leaders about their commitment and approach to climate action

10:00 – 10:15

MORNING BREAK

10:15 – 11:30

THE CLIMATE CRISIS AND ITS SOLUTIONS: QUESTIONS AND ANSWERS (*English*)

Al Gore, *Founder and Chairman, The Climate Reality Project*

Dr. Seita Emori, *Deputy Director, Center for Global Environmental Research, National Institute for Environmental Studies*

Dr. Yasuko Kameyama, *Deputy Director, Center for Social and Environmental Systems Research, National Institute for Environmental Studies*

During this session, Climate Reality Founder and Chairman Al Gore and our science experts will answer questions prepared by attendees on the previous day.

11:30 – 12:00

IKEA JAPAN PEOPLE AND PLANET POSITIVE PLAN (English)

Helene von Reis, President/CEO and CSO, IKEA Japan K.K.

12:00 – 12:15

GROUP PHOTO

12:15 – 13:15

LUNCH

13:15 – 14:00

TELLING THE CLIMATE STORY (Japanese)

Community Organizing Japan

Sharing the climate problem can be intimidating, but you can influence others and inspire change by engaging audiences on their own terms. This session will offer new skills for building trust with audiences.

14:00 – 14:15

TRUTH IN 10 (English)

Al Gore, Founder and Chairman, The Climate Reality Project

During this session, Climate Reality Founder and Chairman Al Gore will show participants how to teach their family, friends, and colleagues to give their own short, 10-minute presentations on the climate crisis.

14:15 – 14:45

MASTERING THE PRESENTATION (Japanese)

Chris Kozak, Climate Reality Leader trained in Houston in 2016

The Climate Reality Leadership Community was founded on the idea that people like you could help spread the truth about the climate crisis and its solutions by giving presentations. You'll leave this session with creative ideas for customizing the slideshow, finding audiences, and inspiring people from all walks of life to take action and solve the climate crisis.

14:45 – 15:00

AFTERNOON BREAK

15:00 – 15:30

WHAT'S NEXT: TAKE ACTION AND CREATE CHANGE (English)

Ethan Spaner, International Program Director, The Climate Reality Project

Spanning six continents, 11 branch offices, and over 150 countries, the Climate Reality Leadership Community engages, connects, and activates a global network of thousands of change agents through its programs and campaigns. This session will highlight the vital role Climate Reality Leaders play in building planet-wide momentum for climate solutions.

15:30 – 15:45

PLEDGING TO ACT *(English)*

Olena Alec, Director of Engagement, The Climate Reality Project

Climate Reality staff will guide you through the planning document on page 45 of the participant booklet so you can organize your ideas before you choose a Networking and Action Planning Breakout Session to help you plan your first actions as a Climate Reality Leader.

15:45 – 15:50

WALK TO BREAKOUT SESSIONS

15:50 – 16:35

NETWORKING AND ACTION PLANNING BREAKOUT SESSIONS

Choose one of the following breakout sessions to attend based on your sector or area of focus.

BREAKOUT 1: BUSINESS BREAKOUT SESSION *(Japanese)* – PALAIS ROYAL BALLROOM

BREAKOUT 2: NGO / COMMUNITY LEADERS / ACADEMIC / OTHER BREAKOUT SESSION *(Japanese)* – CHATELET

BREAKOUT 3: STUDENTS BREAKOUT SESSION *(Japanese)* – ETOILE

BREAKOUT 4: GOVERNMENT EMPLOYEES BREAKOUT SESSION *(Japanese)* – VENDOME

BREAKOUT 5: INTERNATIONAL PARTICIPANTS BREAKOUT SESSION *(English)* – PENSEE (1F)

Meet with other attendees from your sector to discuss what is needed to promote climate action and how you might work together to create change.

16:35 – 16:40

WALK TO GENERAL SESSION

16:40 – 17:25

CHANGE AGENTS FOR CLIMATE ACTION *(Japanese)*

MODERATOR: Yoshioka Tatsuya, Founder and Director, Peace Boat

Hirofumi Aizawa, Director, Global Warming Countermeasures Division, Global Environment Bureau, Ministry of the Environment

Akira Sakano, Chair of the Board of Directors, Zero Waste Academy, Japan

Takayoshi Yokoyama, Team Leader, 350.org Japan

Everyone has a role in solving the climate crisis. Hear about people like you who understood the urgency to act and used their networks, skills, and passion to inspire change.

17:25 – 17:45

COMMENCEMENT AND CLOSING REMARKS *(English)*

Al Gore, Founder and Chairman, The Climate Reality Project
